

REPAIR POLICY

We want you to leave Ishk Limb Centre with a good quality prosthetic limb that can help you be more independent.

If you need to repair a part of your prosthetic limb in the future, please bring your limb to our Centre and we will repair it for a small fee.

REPAIR POLICY

WHY DO WE CHARGE A REPAIR FEE?

We want to enable as many people as possible to lead independent lives.

This is why we give you your first prosthetic limb free of charge.

To keep doing this, we need to use our resources efficiently.

When you pay a small fee for your limb repair, you help other amputees receive free prosthetic limbs as well!

*Ishk Limb Centre does not make any profit from charging repair fees. All fees are directed into making new prosthetic limbs.
