

PROGRAM INFORMATION SHEET

About Ishk Skills Hub

Ishk Skills Hub (ISH), an initiative by Ishk Tolaram Foundation, provides underserved youth access to quality skills training, internship opportunities, and professional development through scholarships to improve their ability to earn a livelihood.

Program Overview

In six months, the program will equip you with the requisite soft and vocational skills, including on-the-job training, to improve your ability to earn a livelihood through vocational employment. Beyond your training, you also become a member of ISH's youth alumni network and can access continuous support for personal and professional development. The program components and flow are as follows:

Soft Skills Training*

Soft skills are crucial for personal, professional, and entrepreneurship development. You will complete this training in two phases on-site at Ishk Skills Hub, Fadeyi. Each module is delivered as below:

Phase 1: (Delivered before *Vocational Training*) - 3 days

- Leadership and Character Development
- Personal Effectiveness

Phase 2: (Delivered at the end of *Internship Opportunities*) - 2 days

- Employability and Work Readiness
- Entrepreneurship

**Refreshments will be provided during Soft Skills Training ONLY.*

Vocational Training*

Ishk Skills Hub has partnered with reputed training institutes to provide you with high-quality vocational training. Training runs for three months and will be held at a partner facility. We offer the following skills in these locations:

- Carpentry and Furniture Making (Oworo-Ogudu, Oshodi, Agege)
- Fashion (Ikeja, Ikotun)
- Masonry and Tiling (Oworo-Ogudu, Oshodi, Agege)

- Plumbing and Pipefitting (Oworo-Ogudu, Oshodi, Agege)

**You will have the option to select only one preferred skill from a list on the registration form. You are responsible for your transport to and from the training center.*

Internship Opportunities

Once you complete your vocational training, you will be placed in an internship for three months to receive on-the-job training.

Professional Development

After you graduate, you will become a part of our youth alumni network and can access the following within Ishk Skills Hub:

- Resources for professional use, such as computers, meeting rooms, and the library
- Professional development opportunities, such as courses and seminars
- Opportunities to engage with current students as a peer mentor
- Employment referrals

**Ishk Skills Hub is not responsible for job placements or providing capital for your business*

APPLICATION CONSIDERATIONS

Eligibility

To qualify for Ishk Skills Hub, you must meet the following criteria:

- Aged 18 - 35 years
- Minimum education - SSCE, OND, NCE, or equivalent
- Based in or near Lagos
- Currently unemployed and seeking long-term employment
- Have a guarantor

Guarantor

Your guarantor must be:

- Over 30 years of age
- An employee/member of an organization for at least two years
- Someone who knows you personally

Role of your guarantor:

- To recommend you as an excellent candidate for this scholarship and program.
- To fill and sign a guarantor's form*
- To be updated on your progress in the program

**Guarantors are not expected to make a financial contribution to you or Ishk Skills Hub.*

Application Process

To apply, follow the steps and complete the online form at <https://www.ishktolaram.com/skill-up-with-ishk>. Once applications are processed, Ishk Skills Hub will notify you if you are eligible for the program, and if so, the team will invite you for a one-on-one interview. If your interview is successful, we will invite you to enroll in the program.

Acknowledgment of information

Once you have finished reading this information sheet, please provide your name and signature below and bring only the last page to your screening interview.

Signing below indicates that you understand all relevant details related to the program.
